me: so
me: I got some news
me: before I left New York
me: I had sex with this chick
me: who is now pregnant
me: and here's the kicker
me: she's going to have the baby
me: and I guess I'll be coming back to, like, train it
me: here's the other kicker
me: the girl is half black, half Jewish
Mark: congratulation on further mixing the gene pool?
me: welcome me to the tribe
me: we'll be raising the baby Jewish, at least culturally
Mark: so will does mean you'll be laying off or intensifying the jew insults?
me: like, we'll teach it to read and whatnot
